Starting out, it was a futuristic, model campus when it was first opened in the Fall of 1961.

Everyone said so. On the outskirts of a growing metroplex, W.E. Boswell High School emerged as an ultra modern structure in the midst of ragged fence posts strung with barbed wire, acres and acres of plowed fields, and bright dots of red, white, and yellow wildflowers.

Today, the city has rushed out to meet it and the campus that started out so modern has expanded year after year to keep up with its pioneer image.

Although the students are basically the same, all having set similar goals and desires, the size of the campus had expanded as the need for room has been made necessary by the increase from just 250 students in 1961 to the present enrollment of 1050.

In the beginning the round building housed the general academic rooms, the cafeteria and in the center, the library. The long building housed several classes and Little Theatre, and the shop complex completed Boswell's new campus in 1961.

Now just over a year old, a second gymnasium and a $2.5 million Fine Arts Building are the newest additions to Boswell's spectacular campus, which still resembles a junior college arrangement with its eleven buildings.

Twenty years later the class of 1982 graduates from a school which is still a model campus. Even though society, styles, and mores have altered, the basics of obtaining an education have remained an important part of existing and when we remember back ..... to when when it all started, we have progressed a giant step.

Remember when you couldn't wait to get to high school,
And how you thought upperclassmen looked so cool?

Remember when you were a fish
And to be a senior was your first wish?

The fun days came and the campus got t-ped.
And on Friday mornings some got out to help clean.

Remember the assignments written every day
Just for a teacher to read and hopefully give you an 'A'?

There were days when the clouds opened up and rained,
We'd soak the fish and they walked away in vain.

Don't forget the cafeteria on chicken day
And how long in line you had to stay.

Remember studying and cramming for government tests
Never thinking it would let up for you to have a rest?

Remember when you couldn't wait to be a Pioneer?
Now you are facing your very last year?

But fast, the time has slipped right on by,
And it's not going to be easy to say good-bye.

d The time is here and there's a great celebration,
Cause it's only one week til graduation.

Remember when you started here
And graduation didn't seem so near?

Now it's come and mixed feelings grow,
Cause you've finally arrived, but where did the time go?

Academics, athletics, clubs, and school-related jobs were the unifying factors that kept Boswell students occupied during the year.

From studying, to planning club activities, each found his own niche in school life. Those who didn't, found their own means of "being" in the environment outside the campus grounds.

Concerts, dances, movies, or making money captured the interests of most, and just a night of getting together relaxed the tension of being a senior and having to maintain the grades. Laughing symbolized relief, or a lighter look at a tough situation, and the hours dragged on, yet, flew by. The year was gone too soon after it began.

Homecoming Sparks Spirit, Victory

Boswell's campus was full of life and energy as the week of Homecoming came only three weeks into the year.

To kick off the first day of Homecoming week, the student body entered the festivities wearing blue to depict "Blue Monday". Tuesday was "Over-haul" the Eagles with the Pioneers wearing over-alls, and Wednesday was Suspender Day. Thursday was the most popular event with the Pioneers, Blinding the Eagles with their shades. Friday was class day with each class designating a theme for the day to show their class spirit.

Pre-game activities consisted of routines by the Boswell 10 and Pep Squad, the twirlers and class signs were presented. The Freshman won the sign contest with their slogan, "There Were No Pioneers Before the West."

"Pioneer of the Year" nominees were Rusty Freeman, Mark Pachares, Ted Stevenson and Mark Webb. Senior running back Freeman was awarded the honor. At halftime queen nominees Miriam Holmes, Kim Pace, Jamie Schusler and Amy Williams were escorted onto the field by their fathers. Also recognized were the Coming Home Queen nominees from the Class of 1971.

Amy Williams was crowned by Helen Provence Trammell, returning Homecoming Queen of 1971.

The Art Club featured the Homecoming nominees in two white Corvette convertibles.

The Pioneer team topped off the night with a 21-0 shutout of the Eagles to make the evening a perfect homecoming.

1962 Graduates Remain Leaders

Two members of the 1962 graduating class of Boswell High School are still close to home to tell of the fun times and school spirit that existed during the first year in their new school, the year it opened in 1962-62.

Danny Jordan and Weldon Hafley were both members of that first class and their memories of their senior year are indicative of the Pioneer spirit and drive that is still in exisrence.

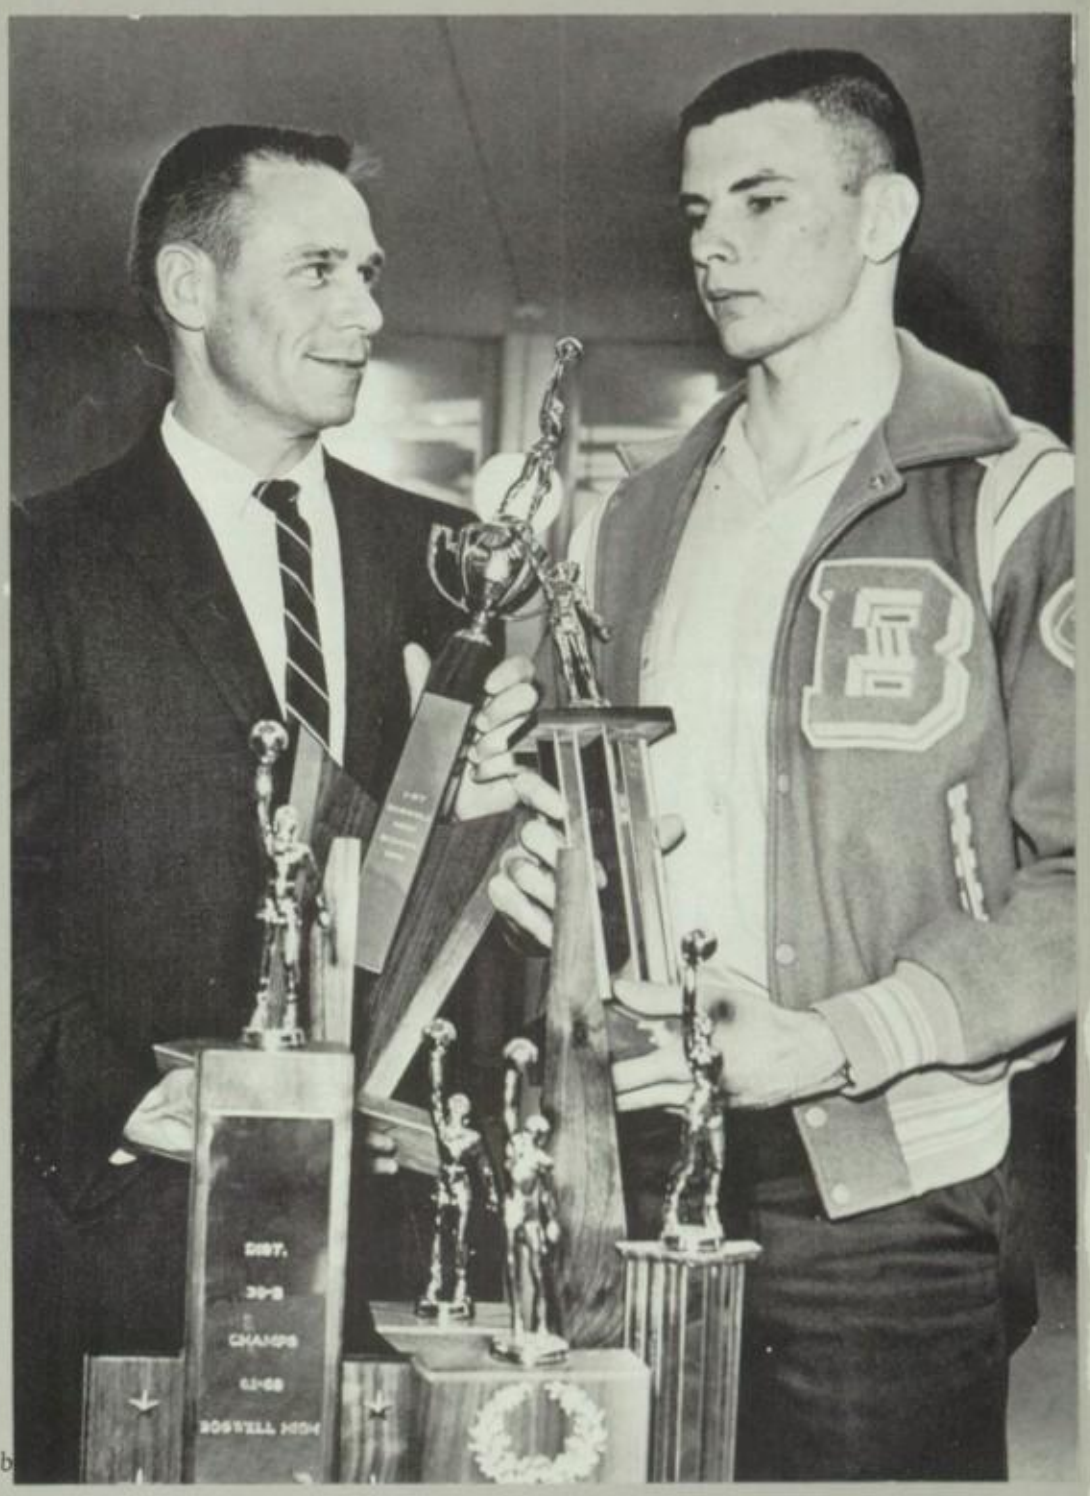
The Class of '62 was led by Jordan as senior class president and he also was a leader on the football field as quarterback of the young team that went 8-2. Weldon Hafley was named to the All-Star basketball team that year which meant that he led the Boswell team to many exciting victories, as the team advanced to regionals and posted a 26-5 record.

What is unique about those two from their class of 35 graduates is that they remain at Boswell today, continuing to leave their marks on the school and students just as they left their marks in the year of 1962.

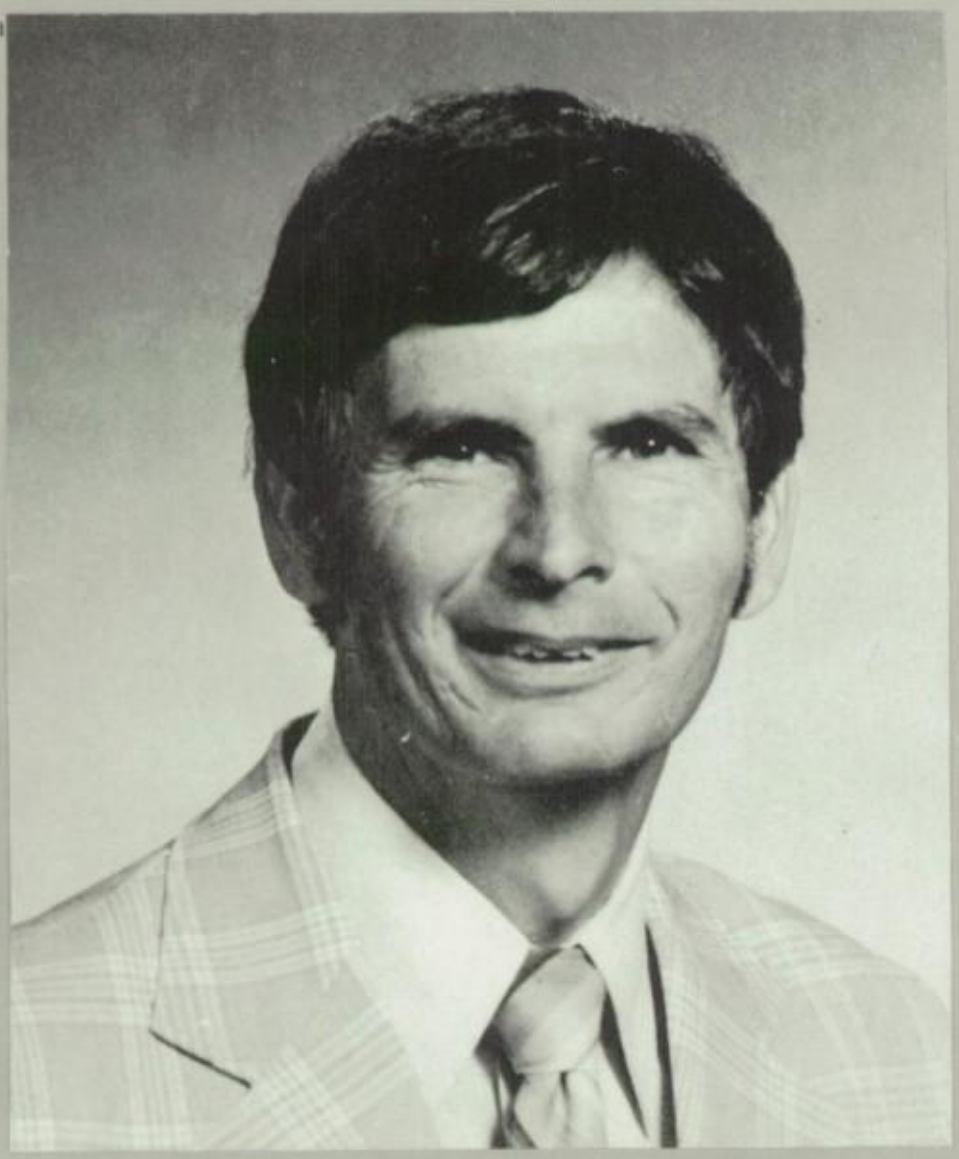
Today, Jordan teaches biology and physical education and at one time was a coach for the Pioneer baseball and football teams. Hafley had an early stint as head basketball coach, and after a brief career elsewhere, has come home to Boswell to continue where he started. Instead of being leaders of their class as they were twenty years ago, they remain leaders in a much larger capacity . . . leading the students of Boswell and setting good examples for the entire student body.

Should the two return to their days as seniors, they would

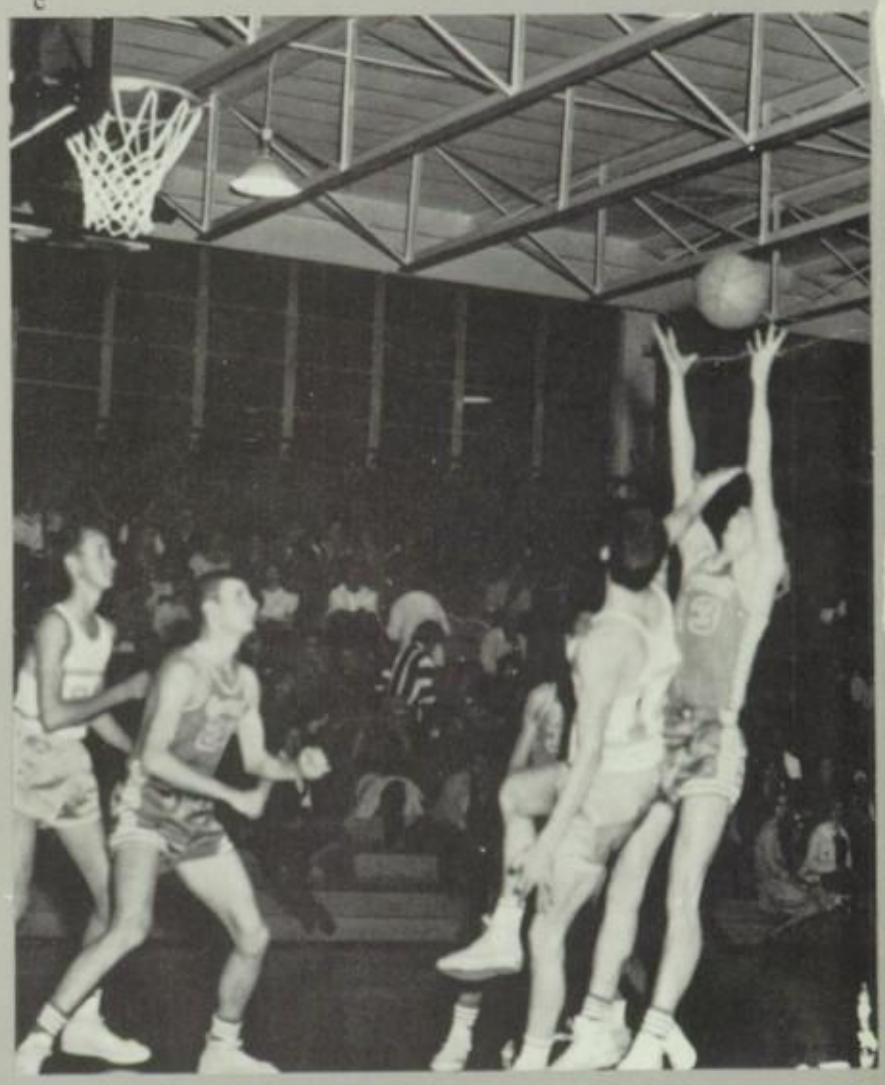
b

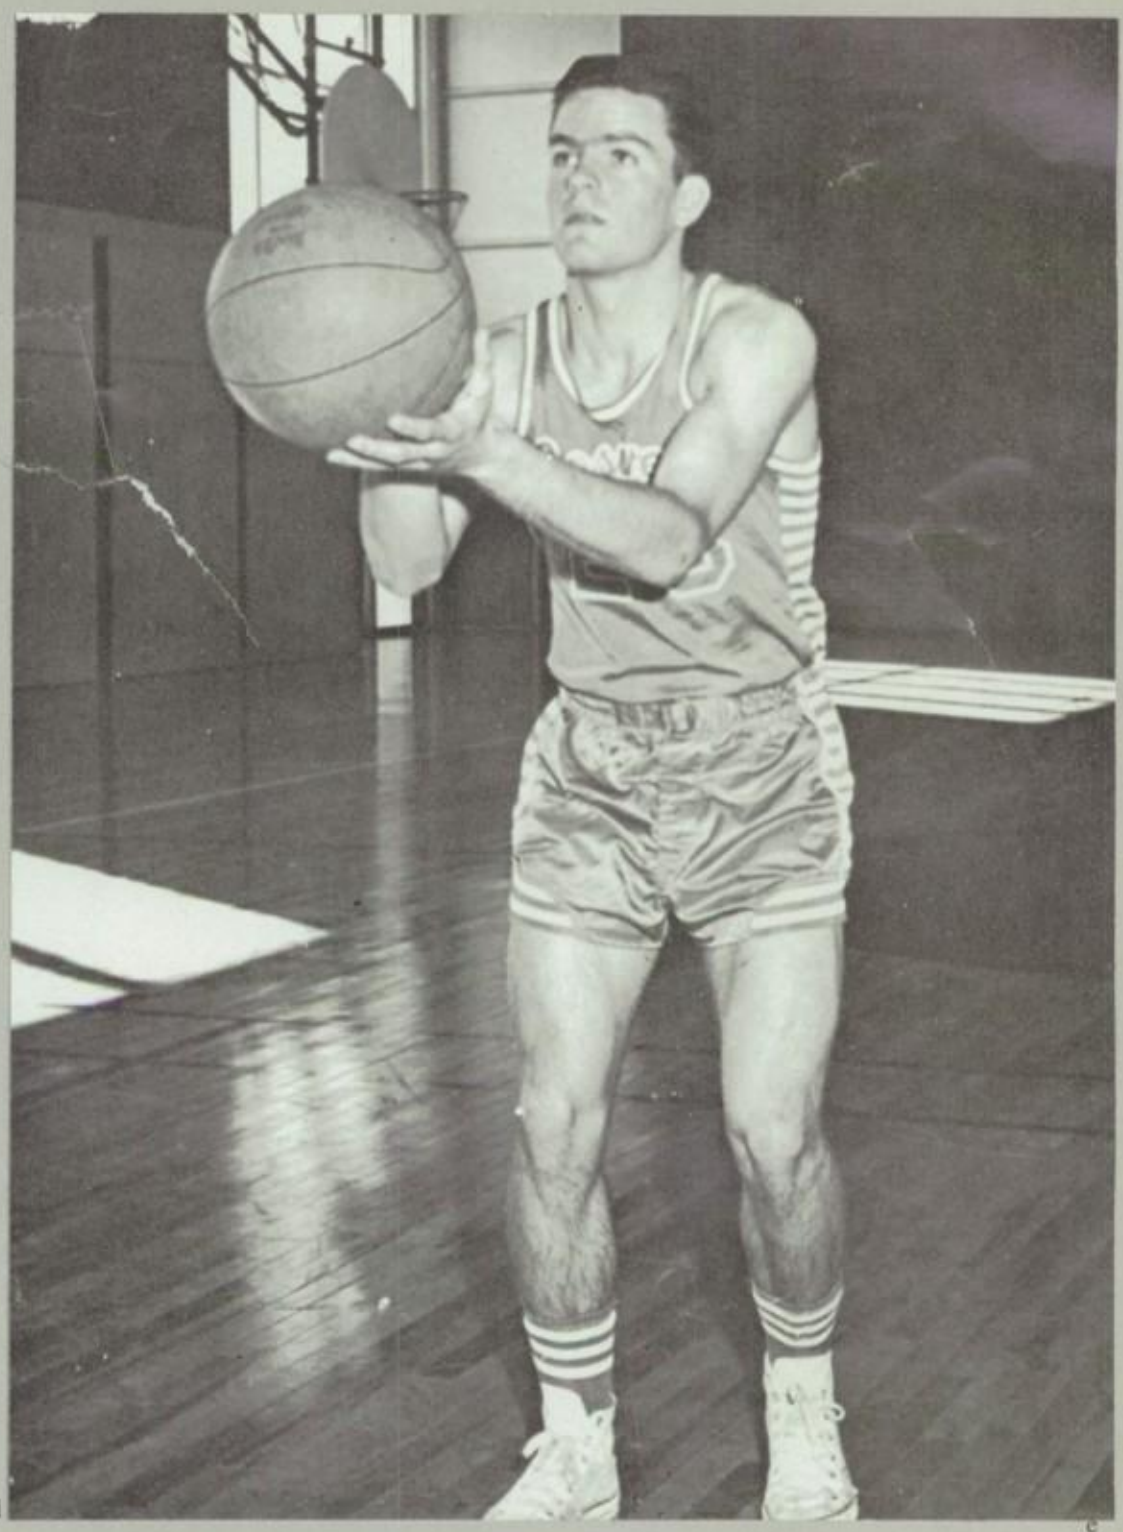


a



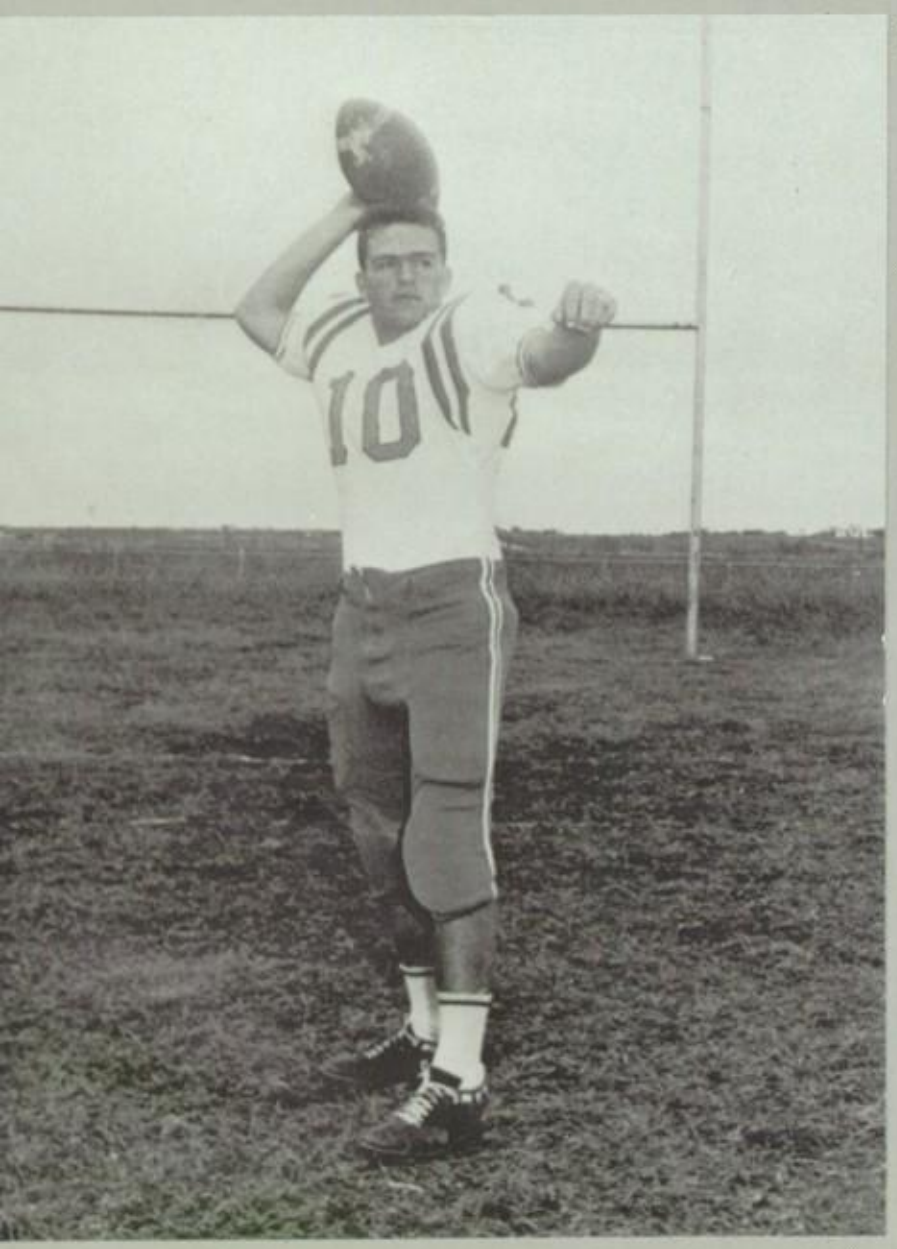
c





d

c



f

find things greatly changed. Hafley would find his office where the counselors' offices are located, with only 17 teachers to help supervise approximately 250 students. The lunchroom would be where the present SAC room is and Jordan would find himself teaching in the old science area that is now used for child development.

Although time and growth has changed the physical appearance of Boswell, the same mental attitude that began twenty years ago is still being spread through individuals such as Danny Jordan and Weldon Hafley. Thank goodness for people such as they. For, through them, we all continue to learn.

'My Fair Lady'

Boswell's 1981 musical 'My Fair Lady', based on George B. Shaw's play, 'Pygmalion', was a delightful replica of the London streets in 1912.

The electricity of the cockney-tongued and high class English characters shook the stage on opening night, December 10. Patti Brougher and Tara DeLackner brought to life the character of Eliza Doolittle, the poor cockney flower girl who learns, under the instruction of Henry Higgins, (Ricky Pope), how to be a 'lidy.' Higgins, a linguist, is challenged by Colonel Pickering (Jon Williams) to teach Eliza how to properly speak the English tongue.

Dancers and chorus, clad in muted browns, mauves and dark greens, gave vitality to Eliza's song of dreams 'Wouldn't It Be Loverly?' and to 'With a Little Bit of Luck', the life story of Alfred P. Doolittle (Bobby Joe Cleveland) and his sidekicks Harry (Jeff Jordan) and Jamie (Gary Harlow).

The black and white dressed upper class English aristocrats sing about the famed horse race in the 'Ascot Gavotte.' A member of the upper class, Freddie Eynsford-Hill (Eddie Smith) falls in love with Eliza and sings his heart out in 'On the Street Where You Live.'

Amidst all these scenes, the real showstopper was a rowdy rendition of 'Get Me To the Church On Time', during Alfred's last free minutes before his marriage. The dancers and chorus spun their own energy and excitement as Cleveland belted out his song.

The crew worked especially hard on the entire production; often harder than cast members to get the musical ready for opening night. Many thanks go to the crew, cast and members from behind the scenes who made the musical a spectacular production to behold.

Student Council

Student Council started preparing for a memorable year in July when they attended Summer Camp. At the convention they learned new ideas to help in planning of activities for the student body.

The Student Council sponsored new additions to holiday spirit. They featured "Halloweeds", which could be purchased for a friend or teacher. Another addition were the Thanksgiving theme pictures. These were taken during lunches with such characters as indians, turkeys, and pilgrims. Student Council also sponsored pictures of students with Santa Claus and his elves.

The Student Council hosted dances through out the year to help raise money. They had victory dances after the home games which featured a disc jockey. They also hosted a computer dance with everyone filling out a questionnaire which was sent to a computer for programming and sent back to them with a dance card. This was used to help people make acquaintances with new faces.

The club sponsored several multi-media presentations in the Fine Arts Center and charged admission of canned goods or money for food for the needy near the holidays for the faculty-student volleyball game.

A teacher breakfast was scheduled for the spring, following the group's trip to Austin for a Council Conference.

The officers for this year 1981-81 were: president—Fritz Sayers, vice-president Sandy Frizzell, secretary—Suzie Murphy, treasurer—Cheryl Petelin, seargent-of-arms—Tracy Adams, and parlimentarian—Kim George.

Thespians

The year began for the Thespians with the three fall plays combined for one show. The sixth period third-year students brough to life the play. "Up the Down Staircase", a 1950-version of New York high school life. The fifth period students presented "Arkansaw Bear" and the third period first-year students relived scenes from "Alice in Wonderland."

Club sponsor Beverly Moerbe and her husband, David, Gary Harlow, and technician Donna Shriner performed in the play "Our Town", produced and directed by Jack Dyville of Heritage Players. The play was staged in North Hills Mall in November.

The first weekend in December marked the annual Thespian convention this year held in San Antonio.

The musical "My Fair Lady" held a tight rein on the audiences all three nights of its productions. Eliza Doolittle, the dirty, Cockney girl who learned to become a lady, was played by Patti Brougher and understudy Tara deLackner. Henry Higgins, the linguistic professor, was played by Ricky Pope. Eliza's father, Alfred P. Doolittle, was portrayed by Bobby Joe Cleveland. Nearly sixty people put the show together.

United States National Speech and Drama Awards honored seven Thespians with scholarships to any college and an autobiography of themselves be put into the annual yearbook of the USNSDA.

The Thespians also put great determiniation in sending the One-Act play, "The Imaginary Invalid" to state.

The annual Thespian banquet, in May, was to be, for another year, a costume and character gala.

The office of state Thespian president was held this year by Bobby Joe Cleveland. Others who led the Boswell chapter were: Donna Shriner, Gary Harlow, Gloria Schultz, Kelli Thompson and Johnny Ortega.

The Hero Club for the 1981-82 school year had various activities scheduled for its members.

Their year long activity was traveling to and from elementary school and Day Care Centers every Tuesday, Wednesday and Thursdays, to be teachers' aides.

In October the club visited Cook's Children's Hospital to present the children with hand made goodies for Halloween. To add excitement to the trip, Channel 4 News filmed several of the members for the news that night, while recording the children's reactions to Halloween visitors.

For Thanksgiving, the club had a pot-luck dinner at the home of Mrs. Beverly McMullin, Child Development teacher.

During the month of December, the club sponsored a "Mothers Day Out" activity by having a baby-sitting service to raise money to donate to the HERO/FHA National Building Fund.

Instead of the usual toy drive that the club holds each Christmas season, the club decided to try something new this year. They traveled to the Fort Worth State School to take the toys there with a "little bit of Christmas joy". The boys were presented with a small gift and a picture of himself with Santa, played by Bobby Joe Cleveland.

The 4-6 record of the Boswell Pioneers in 1981 should remind people of the games in which the Pioneers played with a lot of heart and continued to do so week after week.

The Pioneers opened their season against Mansfield at home, with a crowd-pleasing win. They came back from a Tiger 0-13 lead in the first half, and scored 12 points in the third quarter, and 14 points in the fourth quarter to win 26-13.

The second game against the Everman Bulldogs was one where it seemed the Pioneers couldn't put it together. The Bulldogs recovered two Pioneer fumbles and scored 21 points on the Pioneer defense. The Pioneers didn't give up and scored 6 points in the fourth quarter but the score was offset by a clipping penalty.

The third game was at Keller, and it was another disappointing upset. At the end of the game the score was 6-8 in favor of the Indians, but a Pioneer last-minute field goal missed and the Pioneers faced defeat again.

The Pioneers hosted the Decatur Eagles at Homecoming. The Pioneers, still with the memory of suffering defeat at the hands of the Eagles last year, scored 14 points in the first quarter, and ended the game by defeating the Eagles 21-0.

The Pioneers overpowered the Grapevine Mustangs 27-7 in their last game before district play began.

The Pioneers played the Weatherford Kangaroos at home in what they knew would be a tough battle from the defending zone champs. The Pioneers may have played their best game of the season against the Roo's, but the tough team out-lasted the Pioneers 23-13 after several last half scores.

The Pioneers traveled to undefeated Brewer territory. The first half was a struggle ending in a scoreless tie. In the second half, the Bears poured it on and scored 22 points to 0 for the Pioneers.

The Pioneers next played their rivals from across the lake at home, the Azle Hornets. The first quarter looked close as in the prior two district games, but the second half led to the Pioneers' defeat. The Hornets scored in the second quarter, seven points in the third, and nine in the fourth to end the game 0-23.

The Pioneers' next game, which was at Castleberry, was to be close with both teams' record for district being 1-3. The Pioneers had a scoreless first quarter, but scored six points in the second quarter. The second half was followed by another score of six points by the Pioneers in the third quarter.

Castleberry put seven on the board in the third which was their only score of the night and in district play. The game ended 12-7 in favor of Boswell.

North Side was the last game for the Pioneers. The Steers trampled the Pioneers with 14 points in the first half, and although the Pioneers came back to score, the North Side team still ended on top with a final score of 14-8.

Leaders of the team on offense was Craig Williams and Alan Daniel at quarterback. Running backs were Rusty Freeman, Tommy Castillo, Todd Staton and Ted Stevenson. Receivers were Tracy Adams, Jeff Stafford, Greg Garrett, and Philip Bandy. Outstanding linemen were Mark Webb, Robert Roark, Fritz Sayers, John Willkie, Mark Pachares, Kevin Smith, and Billy Don Applewhite. JVers Have Winning Season

Boswell's JV football team ended their season with a 8-2 overall record and a 4-1 record in district in what Coach Steve Gideon feels was a successful season.

They beat Mansfield 13-12 in a close one, Everman 18-7, blew Keller and Decatur away, 26-0 and 27-7 respectively and lost to Grapevine 23-9 in a game in which they lost the momentum early in the game.

They then began zone play at Weatherford, and coming off of a loss, still had losing ways in their system, and were beaten 21-0 by Weatherford.

Then the JV Pioneers came back home to play Brewer in what Coach Gideon felt was, "A pivitol point in the season." The Pioneers came out like gangbusters and scored all 26 of their points in the first half, beating Brewer 26-0. They went to Azle and beat the Hornets 14-12 in a game that saw the defense hold off a last-minute two-point conversion by the Hornets.

Coach Gideon's bunch then came home in the next to the last game to play Castleberry and beat them 20-0 in one of those games where everyone got to play.

The last game of the season was a game the Coach considered "The best of the year."

Boswell broke on top of North Side early on a 65-yard run by Robbie Thompson, but didn't lead for long as North Side came right back to tie it up 7-7.

The lead changed hands several times in the hard fought game, and Boswell finally came out victors 35-21.

Coach Gideon said that everyone wants to go undefeated, and that was the team's goal. Even though they lost two, Coach Gideon was pleased with his team's good season.

Freshmen Post 6-4 Record

d

f

e

The Freshmen football team finished the season with an overall 6-4 record and a district record of 4-1.

The team finished second in their zone behind Weatherford.

The freshmen started off the season on a good note by beating Mansfield 13-6. The young Pioneers then lost the next three games to Everman 0-13, Keller 8-28, and Decatur 0-12.

The team came back to beat the Grapevine Mustangs 10-6.

The freshmen then opened district play against Weatherford. The Kangaroos gave the Pioneers their one and only district setback 6-30.

The team came off the defeat and then brought everything together to win the last four games of the season. In these games they beat Brewer 21-16, Azle 17-8, Castleberry 18-7, and North Side by forfeit.

In the Castleberry game, the Pioneers led during the entire contest. Their hopes for a shut-out were shattered when the Lions finally ran up seven points on the scoreboard.

The offensive starters for the freshmen were: Jeff McCullough, Jeff Vosberg, Kirt Garrett, Kevin Yochum, Pokey Leatherman, Jeff Hooper, Jay Stallons, Dwayne Winn, Scott Tallant, Mike Morrison, and Ronnie Raesz.

The defensive starters were Dwayne Winn, Tracy Crain, Andy Mooty, Brad Freeman, Mike Cleveland, Kevin Grimes, Steve Namy, Davis Baker, Eric Martin, Jeff McMillian, and Victor Meza.

Coach Tim Daughtrey said, "I felt we had a very successful season. Not so much because of our record, but mainly because each individual developed as a better football player and as a better person."

Boys' Team Goes To

The Boswell Cross Country team attained their goal this season: Going to the state meet.

The varsity placed ninth at the state cross country meet, which was held in Georgetown at Southwestern University on Saturday, November 14. At the meet, Richard Ramirez placed 21st, Mike Keck 54th, Geno Borchardt 66th, Craig Freeman 68th, Mike Norstrum 71st, John Smith 84th, and Joe Gillen 89th.

The team qualified for the state contest by placing third at the Regional Meet which was held at Vandegriff Park in Arlington in early November. Running for the varsity at this meet were Ramirez, Freeman, Borchardt, Keck, Smith, Norstrum, and Gillen.

On Saturday, October 31, the varsity captured the 4A-5 district championship and edged rival Azle by one point.

Ramirez was the overall winner with a time of 16:57. Freeman was third, Keck sixth, Norstrum ninth, and Smith eleventh.

Coach Mel Griggers was excited with the varsity's performance, but was just as pleased with the junior varsity's.

The JV also captured the district championship. Running JV this year were Eden Barrerra, Charles Ramirez, Robert Gonzales, Carlos Aguilar and Kelly Smith.

The girls' varsity, who ran a two-mile course, did not have enough participants to make a team; however, they competed well.

Individualist Bernadette Randall placed fifth at the district meet with a time of 13:01 and qualified for the regional meet, where she placed 27th out of 100 runners.

Also running for the girls this year were Toni Jones, Leigh Ann Steele, Toni Worez, and Missy Hoodenpyle.

Girls Win Second In Home Tournament

f

Boswell's varsity and J.V. volleyball teams won second place in their tournament hosted October 8-10. Varsity teammates Julie Lowery and Toni Jones were named to the All-Tournament team.

Overall, the team finished third in the west zone of 4A-5 and Lowery was named to the west zone second team.

The J.V. and Freshmen teams competed in tournaments throughout the season. At the Cowtown Tournament, the J.V. was defeated in the consolation game and also at the Grapevine Tournament the team lost in the consolation bracket.

The Freshmen team was beaten at the Diamond Hill Tournement and won their first game of the Grapevine Tournament.

First year coach Linda Mazurek will have four girls returning to the varsity next year, including Jones and Lowery.

Cagers Post 12-8 Record

Boswell completed a disappointing season after being highly ranked in state early in the season. The team was looking forward to playing in the play-offs but that hope diminished as the season progressed.

In the first half of Zone, the Pioneers lost their opening game to Weatherford, then beat Brewer, Azle, and Castleberry, before being defeated by North Side to end the first half of zone. The final game against the Steers was probably the best of the season. The secod half of the zone was a mirror image of the first, leaving the hopes of going to play-offs out of the grasp of the Pioneers.

The North Side Steers accomplished winning the first half and the Weatherford Kangaroos bounced back to take control of the second half, leaving the need of a play-off game. The games was played on neutral ground to give neither team an advantage. The Steers took the zone by a four-point win.

The 1981-82 Boswell varsity consisted of seniors: Kraig Thome, Steve Ward, Rusty Freeman, Ted Stevenson, and Paul Murry and juniors: Greg Bicknell, David Duzan, Alan Daniel, Todd Bagby, Kris Sommerfield, and Tracy Adams.

The Pioneers finished the season with a 12-8 season record, 4-5 tournament record, 6-2 record for zone,and a 18-12 overall record.

Kraig Thome led the Pioneers in scoring, defensive rebounds, and offensive rebounds in his last year at Boswell.

Returners will be Bicknell, Duzan, Daniel, Bagby, Sommerfield, and Adams. With these players and help from Boswell's successful Junior Varsity, the Pioneers should have an intense and complete team next year.

Junior Varsity Wins Home Tournament

d

Coach Tim Daughtrey's team finished a very successful season, posting a 19-6 record by playing a lot of exciting ball. The tournaments early in the season brought the first such excitement. In early December the team beat the Azle Hornets in the finals of their Home Tournament to take the championship. At the Castleberry tourney, didn't have as much luck, losing their second game to douse their hopes of another tourney victory.

The Pioneers lost their first district game to the Weatherford Kangaroos, but rallied to win the next four to end the first half of district 4-1. They beat Brewer 60-57, Azle 60-49, Castleberry 58-56 and North Side 58-56. The JVers started the second half with another loss to the Roos, Daughtrey feeling that "if it had been at home we would have won."

The Pioneers beat the Bears again, lost to Azle 54-52 in an overtime game, but turned around to win the final two contests over Castleberry and North Side.

The JV cagers were led by Robbie Thompson, who averaged 14 points per game and Scott Jacobs who averaged 11. Leading rebounders were Thompson, Perry Murry, and Robert Carpenter.

Freshmen Impressive With 15-8 Tally

Coach Max Gerloff and his freshmen finished a very successful season with a 15-8 overall record. The team finished the first 14 games with only five losses.

The first of two tournaments for the team was at Boswell in early December, where they placed second, losing the finals in overtime to Burleson 54-50 in a game the coach said the team "played as well as they could."

In the Castleberry Tournament, the team lost to Carter Riverside, who went on to win the tourney. The Pioneers lost the game by one, and the Carter team went on to beat all other competitors by 10.

District rolled around in early January. Their first district game against Weatherford was cancelled due to bad weather, but they started against Brewer and beat them 76-48, Azle 50-47, lost to Castleberry 39-38 and won over North Side 54-42 to finish the first half of district.

Their second half record was 3-2 with a 58-42 loss to Weatherford, wins over Brewer 39-38, Azle 54-53, Castleberry 56-34 and a season finale loss to North Side 42-32.

The game standing out in the coach's mind as being one of the best of the season, was the one against Decatur, where the Pioneers won in overtime with six seconds left on the clock.

The freshmen did not have any dominating player, although Brad Freeman was consistent in scoring and Philip VanMeter and Jay Stallons were good rebounders.

Girls Have Season of Rebuilding

e

The varsity Pioneerettes ended a rebuilding season with a record of 8 wins and 16 losses.

The girls opened up zone play against the returning district champs from Weatherford. The Kangaroos won 75-34.

Brewer was the next opponent for the girls. The team stifled the Bears 54-46. This brought their record to 1-1. The Azle Hornets also defeated the girls for the team's second first half loss. The final score was 52-44.

The team then traveled to Castleberry to take on the Lady Lions. The game ended after two wild overtime periods with Castleberry on top 61-60.

The first half of zone play ended at home when the team defeated the North Side Steers 72-45. This win brought their first half record to 2-3.

The second half started out much like the first with the team losing to Weatherford by a score of 67-53. Brewer brought the girls second half record to 0-2, by defeating them 60-51.

The Azle Hornets proved to be too much for the young Lady Pioneers, defeating them 71-41.

Castleberry was the next opponent for the girls. It was close, but the Lions won 54-48.

The last game of the season was against the Steers from North Side. The Pioneerettes strolled through four quarters and won 50-38. This made their second half record 1-4 bringing their zone record to 3-7.

The leading scorer for the Pioneerettes was Julie Lowrey who scored 264 points over 24 games. Lowrey was also the leading rebounder with 199.

"I think the girls improved this year although our record doesn't show it. They've kept a good attitude and they have learned a lot. We need to work on our defensive post work and our shooting on offense. We've been able to out-shoot other teams but we couldn't keep their girls off the boards. These areas need improving for next year," stated Coach Don Enax.

Trae Lynne Newton

March 22, 1965-October 24, 1981

A solemn remembrance of Trae Lynne Newton would not be exactly fitting for the type of girl that she was . . . one with a bubbling personality and one who had a special way of making her friends happy.

Those things about her which we will remember . . . her ready smile . . . ways of making other people happy . . . her cute suspenders on "Suspend the Eagles" day, her constant participation and dedication to making school activities fun . . . her athletic ability and loyalty to her teams . . . her great sportsmanlike conduct . . . her Sadie Hawkins' costumes . . . her blond hair flying in the breeze . . . that special love for animals . . . her laugh . . . giving her friends a ride on her horse . . . always being there . . . and her love for her fellow man. . . . All of these qualities made up the Trae that those of us who knew will never forget . . . for the way that she touched our lives.

Remember When . . .

These **were** the best of times. Living the lives of teenagers we all did our own things and remember them with fond memories. We all put our two cents in to old Boswell, leaving a little of ourselves behind. Remember coming in as freshman and watching the strike on the front lawn? and our senior year of school when class was dismissed and recalled 5 minutes later after all the seniors had left. Remember "Whan that Ahpril with his shurrah sotah . . .?

I can only hope those remaining at Boswell can live their lives to the fullest, be **themselves** and do their part. May they have fond memories like the Class of '82.

. . . . Bobby Joe Cleveland

Remember When . . .

. . . . We had the sack protest.

. . . . The zero club formed, an event that changed the course of school history.

. . . . The most memorable moments of high school were during summer, Christmas, and spring break.

. . . . Getting stranded out on the lake with two girls in a boat.

. . . . Ted Stevenson got nominated for MOST STUDIOUS.

. . . . Bob Hope was at Billy Bob's New Years Eve.

. . . . Coach Woods' fourth period class.

. . . . The senior class couldn't get their car started for the Homecoming parade their freshman year.

. . . . Steve, Paul, Ted, Kraig, Steve W.,

Rusty, and the other lower classman played at Reunion Arena.
.... The biggest party of the year at the Landing.
.... We went to Houston and beat up the Ag teacher Mr. Williams.
.... Doing a performance of "The Boyfriend" with a case of pneumonia.
.... FTA went to Houston for State Convention and everyone had to walk to the Astrodome in their costume, getting all those ridiculous looks.
.... All those eraser fights between Shahan's Algebra class and Boen's Drivers Ed.
.... The Boswell Band of Gold played for Ronald Reagan at Meacham Field.
.... Everyone gathered at the long dock after school just to see what a certain girl was almost wearing.
.... We all went to the Allison Ranch for a card game.
.... Katie and Cherise T-ped Phyllis Carpenter's car.

b

.... The pep squad had to wear those blue potato sacks.
.... The football team would go to Pancho's after two-a-days.
.... We had the biggest food fight the last day of school.
.... All the senior girls dressed up for the pep rally and gave the guys roses and a cake.
.... The senior girls gave the first kidnap breakfast for the guys.
.... The senior girls tried to T-pee the Stop-N-Go and the junior girls beat 'em there and got caught and had to clean it up.
.... We went to Cullum and Boren and everything fell except the prices.
.... The "Phantom Point snatcher" struck.
.... Lana Tilley walked on two legs.
.... Kellee Fowler was T-peeing the Lake Country fountain and fell in.
.... Brent Bunnell made a "B" on his report card.
.... Jack-in-the-Box blew up its clown.
.... The canoe trip with Mrs. Brown.
.... We all froze on the semi-open campus.
.... Launi Leggett and Kellee Fowler let all the rats out and had a real rat race in Mr. Lee's class.
.... We beat Grapevine and got a "G" burnt in the field.
.... Walt Disney got frozen, and still is.
.... We burnt the cabinet in the homemaking room.
.... Melissa Buckner's hair caught on fire.
.... We won the Homecoming game in 1979.
.... We put the rats in the Calipso and they sank to the bottom of the tank. Mr. Lee almost killed us.
.... Kristi Hoppenrath had **a wreck.**

The end of the year came early for the publications staff. The "first" end of the year came in late February when they breathed a sigh of relieve because they had put the yearbook to bed. That is, it was finished. Only the 24-page supplement of spring sports and activities remained for the nine to conquer.

It was the same rat race as always: pictures didn't turn out, negatives were lost, or the darkroom was leaking water. Pictures were looking off the page, fourteen pictures just wouldn't fit on one lay-out and some club pictures, just seen the day before, vanished overnight. What was new? By the end of February, the staff was used to it.

An index, what's an index? Oh, a list of everyone's name and page numbers, you say. Oh, that's easy. Anyone can make an index. We thought.

Who said we couldn't remember when we started the whole thing. It started back in October with the color deadline. But what did we put on these first spreads? No one could remember. Had to get the carbons out and read them, see what we said in the first pages of our book. Did you say "Remember When . . . ? We had a hard time remembering last week. But then that's what the 1982 **Pioneer** is all about . . . for remembering.

a) Students take time to visit before their class begins. b) Leigh Ann Steele and Kim Alley try a little togetherness. c) The 1982 **Pioneer** Staff.

Sluggers Finish 6-14

The Pioneer baseball team wound up their season with a 6-14 overall record by playing good baseball off and on.

They started off by winning only one of their first four games, beating Granbury 6-3 in the fourth game of the year.

The record for the next five games wasn't really that bad, since they won two of those five and played close in the other three.

Next came the opening of district in late March, and the Pioneers found the road rough and rocky from there on out.

They won three of the first five district games, and one of those was by forfeit. They lost the first one to Weatherford 11-0 and the second to

Ramirez Goes to State Meet

The Boswell track team finished an almost disappointing season this year, except for trackster Richard Ramirez, who qualified for the state meet in Austin.

Richard won the 3200 meter and 1600 meter run at district to qualify him for the regional meet.

At the regional meet, Ramirez placed first in the 3200 and third in the 1600.

Ramirez placed sixth at the state meet in Austin, with what was not one of his better times of the year.

Another bright spot for the track was Geno Borchardt. Geno was ranked third in the state in the half mile.

Coach Mel Griggers was disappointed with the track team this year but is looking forward to next year. The team was rather young but should be experienced enough next year to handle the pressure and tough enough to compete well.

The team competed at Azle Burkburnett, Burleson, Grapevine, Everman and Weatherford in meets.

French Qualifies for State

After a long year of hard workouts, gymnast Kelli French performed her best to make it to state competition in vault, beam bars, and floor exercise. The entire girls' gymnastic team had a slight advantage going into the regional meet after winning district March 26 at Haltom.

Many individuals won in the district meet. In vaulting, French took third on bars, Linda DeYoung placed first, French took third and Sandy Raesz fourth. On beam, French was first and DeYoung sixth. On floor French was first, Lori Brawley fifth and Debbie Barnard seventh. All-Around was Kelli French.

Leanne Mason scored high all year on optional vault. Her highest score was an 9.5. French was high scorer for uneven bars with a score of 8.15, floor with a 8.3 and beam with an 8.05.

At regionals the team finished in fourth place, with French advancing to state.

Competing for the girls gymnastic team were: Wendy Allison, Dana Baker, Debbie Banard, Lori Brawley, Kim Hafele, Dabney Carlberg, Linda DeYoung, Yvonne Duque, Kelli French, Leanne Mason, Lisa Lillow, Sandy Raesz, and Sharon Sanders, manager Jayme Jorgenson and trainer Terri Tate.

The boys' gymnastics team is expected to be more competitive next year with the loss of only one senior, Andy Sams.

The best event of the year for the team was the side horse, which was more improved than any other event.

The best team score was attained at regionals; however, the team did not make the state meet.

Sams was elected Most Valuable Gymnast by teammates.

The gymnasts will be working out this summer on learning new skills and tricks.

Coach Darrell Daniel said, "Jennifer Urban, Mike Zimmer, and Marilyn Simms, contributed time and effort to help with the gymnasts season. Without their help it would have been really tough."
